BRIDAL/FORMAL EVENT AGREEMENT

He'll fall in love with you all over again when you walk down the aisle. . .

Our goal is to make that moment one of your most amazing ones with great hair and makeup from our expert team of stylists and aestheticians.

Helpful Hints

We ask that the Bride-to-Be has a trial appointment for all hairstyling and makeup - you don't want to test out new hairdos the day of your wedding! Please bring any special accessories such as a veil, flowers, headpiece, so we can plan your style to work with these pieces.

Please make us aware if anyone in your party has exceptionally long/thick hair in order to assist in proper scheduling.

Photos are welcomed; all party members should come to their appointment with an idea of the look they would like to achieve.

All party members should shampoo their hair no later than the night before the event. Event styles retain their look longer if they are not freshly shampooed.

All party members are advised to wear buttoned-down shirts. You don't want to pull clothing over your head after you are styled.
